Middle School & High School  
Both will meet in the Ministries House.

A time for fun, fellowship and digging deeper in the faith.

### Mentoring

We encourage each of our High Schoolers to be in a discipleship relationship with a mature believer. It is an awesome opportunity to connect with the faith of another believer who has had an opportunity to grow deep in the things of God.. If you or your child are interested in finding a mentor, contact Dave Hinkley, our Children & Youth Ministry Director.

### Events

Our High Schoolers get together once a month for a fun activity, keep an eye on the bulletin for announcements.

Middle Schoolers do a number of fun outing during the year. Ask your group leader when the next one is planned.
